Operating instructions

- Mix together Water, Glycerin and Inutec® H25P, heat to 50°C and mix slowly until clear. Heat to 75°C.
- Under mixing, add Avicel® PC 591, then Jaguar® S heated to 75°C and mix for 15 minutes.
- Mix Demineralized Water and Eumulgin® SG, heat if necessary to obtain a clear liquid.
- Add A2 to A1.
- Prepare phase B and heat to 75°C.
- Under rapid mixing (Rotor/Stator 3000 rpm), add B to A.
- Continue rapid mixing for about 10 minutes.
- Cool under mixing and at 35°C, add phase C.

Mangolicious Night Cream

1899-1.21

- + Hair Mask
- + Deep Moisturization
- + Pre-Shampoo

Description

This natural leave-on product is the ultimate nourishing cream for your hair!
Apply generously on your hair before going to sleep, cover with a towel and leave it for the night. Rinse in the morning before using your usual shampoo: hair is nourished and full of vitality!
In this night cream, Fresh Cells™ Mango and the Mango Butter give an extra moisturizing and exotic touch while Definicire™ redefines the hair.

Specifications

- + Aspect:
Pale pink emulsion
- + Viscosity Brookfield (spindle C speed 5):
approx. 85 000 mPa.s after 24H
- + pH = 7.2 ± 0.5

Ingredients

- **Emulium® Mellifera MB** is a natural O/W emulsifier which creates a pleasant cream with ideal lightness for a leave-on product. Eumulgin® SG is a co-emulsifier which helps to stabilize.
- Jaguar® S and Avicel® PC 591 are gelling agents that help to improve the stability.
- **Lipocire™ A SG** is a texture agent based on 100% certified sustainable palm and palm kernel oils, improving the melting sensation for an easy application.
- **Definicire™** is a texture agent based on polyglycerized waxes nourishing and disciplining the hair.
- **Fresh Cells™ Mango**, Mango Butter and Glycerin are moisturizing agents bringing an exotic touch.
- Plantasens™ Abyssinian Oil and Plantasens™ Olive LD are agents increasing the hair glossy appearance.
- **MOD MB** is a natural emollient for improved comfort and spreadability.
- **Phylderm® Vegetal** is a soybean extract providing essential nutrients to energize and revitalize the hair.
- Inutec® H25P helps to condition the hair.
- Glydant Plus® Liquid is a preservative.
- Tocopherol is an antioxidant.
