- Add C, then D, at 35°C.

New Age Sugar Scrub

2328-1.05

- + Thick texture
- + Sparkling sugar
- + Scrub effect

Description

Have fun with this delicious and original body sugar scrub! Sparkling sugar has been incorporated into this thick and soft texture, formulated with Emulium® Mellifera MB, to remove dead cells from the skin surface and leave it soft and renewed, in a playful way.

Specifications

+ Aspect:
White butter with particles

+ Viscosity Brookfield RV (spindle D, speed 5):
approx. 180 000 mPa.s after 24h

Ingredients

- **Emulium® Mellifera MB**, used at 3%, creates a thick and comfortable texture, easy to rinse off.
- **Geleol™ MB**, Bentone Gel Eug V and Rheocin® increase stability and allow to obtain a thick balm.
- **Acticire® MB** is a texture agent which brings moisturization and comfort to the skin.
- **Labrafac™ CC MB** and Octyldodecanol are emollients which improve spreadability and bring a soft feel without any greasy sensation.
- Sucrose Laurate has been used to improve rinsing.
- Sugars have been used to scrub the skin and remove dead cells.
